

## DOGGY DAY CAMP

Doggy Day Camp is a cage-free service designed for social dogs to play and have fun. Day Camp provides an outlet for excess energy, exercise and socialization. Trained staff monitors safe play and each dog must complete a Day Camp Evaluation before being accepted into camp.

Golden Days Pet Services offers large and small Doggy Day Camp. Safety is our primary goal, therefore **Doggy Day Camp is not for every dog**. It is not a place for aggressive dogs to learn how to be social. Doggie Day Camp is limited in size and clients are strongly encouraged to make reservations in advance to avoid disappointment. Priority goes to clients with standing reservations.

To be accepted into our Doggy Day Camp program, each potential Doggy Day Camp guest must:

1. Complete the Guest Profile and Evaluation Check-In
2. Be at least 12 weeks of age and have completed their full series of vaccinations, including bordetella vaccine
3. Meet our vaccination & temperament standards (i.e. no aggressive dogs will be permitted to attend doggy day camp)
4. Be spayed or neutered (except puppies under 6 months)
